Operational Case Studies

[Operational case studies are drafted by the submitting entity in their own words using the following template. Please avoid using national jargon and spell out acronyms to assist readers from other jurisdictions. All case studies will be made publicly available to facilitate peer-to-peer exchange, share experiences and raise awareness.]

I. Short description of the outer space activity [1000-word max.]

[Include any relevant background or technical information that may be helpful.]

II. Connection with the LTS Guidelines [500-word max.]

[Please indicate any relevant links between the activity above and the LTS Guidelines or portions of the preamble.]

III. Lessons learned [500-word max.]

[Please share any information or observations that may assist others in their space activities.]
